AMENDMENT

The Honorable Assistant Commissioner

For Patents

Washington, D.C. 20231

Dear Sir:

This amendment responds to the Office Action mailed December 4, 2000, for which a petition for three-month extension of time to respond from March 4, 2001 to June 4, 2001, was requested by letter and check by the inventor (see copy of letter).

Please amend this application as follows.

In the Drawings:

Applicant acknowledges informal drawings and affirms that the drawings will be provided when the application is allowed.

In the Claims

Please amend the following claims:

1. (amended) A casino gaming table accounting system comprising, in combination: a central computer; and a plurality of gaming terminals coupled to the central computer wherein each of the plurality of gaming terminals is located in proximity [of] to a gaming table, whereby the gaming terminal is operable by a dealer not by a player.

3. (amended) The system of claim [3] 2 wherein each of the gaming terminals transmits the entered transaction data to the central computer.
